	review and version languages	Variable		Company accredited by OBJN	Negotiated directly with company accredited by OBJN Send the approved version of the manuscript by the publisher along with the metadata form for quotation by accredited company	After receiving the editor decision in ACCEPT the manuscript that follows accompanied by a blank metadata form and a email from accredited company	Inform the accredited company within 7 (seven) days for the authorization of the completion service

1. The process of foreign language version lasts an average of 30 days. Thus, we must consider the frequency of the journal and the author's demands about the publication.
2. Rates whose payments are not confirmed within 3 (three) days after notification will determine the immediate and permanent termination of the editorial process.
3. There will be no refund of any rates under any circumstances.
