**DECLARATION OF AUTHORSHIP AND OF SOLE RESPONSIBILITY OF CONTENTS**

According to the recommendations of the International Committee of Medical Journal Editors (ICMJE, 2013) all items should be observed:

- I certify that I have participated sufficiently in the conception or confection of the manuscript OR in the collection, analysis or interpretation of data.
- I certify that I contributed to drafting the manuscript OR I contributed to critical review.
- I approve the submitted version of this manuscript.
- I declare for the appropriate purposes that the responsibility for the content related to all aspects of the manuscript submitted to OBJN is mine and the co-authors, if any. I guarantee that the questions related to the accuracy or completeness of any part of the article will be properly investigated and resolved. Therefore, I exempt OBJN of any participation whatsoever in any imbrogios concerning the content under consideration.

**CONFLICT OF INTERESTS**

- I declare having no conflict of interest of a financial or personal nature concerning this manuscript which may influence the writing and/or interpretation of the findings.

**DECLARATION OF COPYRIGHT ASSIGNMENT**

- I declare for the appropriate purposes that in the case of approval of the manuscript submitted to OBJN, for publication there will be partial Assignment of Copyright in favor of the periodical. I am aware that this license will allow the downloading and sharing of the final version of the document in any current and future formats, provided for non-commercial purposes, with citation of the authors and no content changes in the final document.

**DECLARATION OF SOLE RESPONSIBILITY FOR THE USE OF SOFTWARE**

- I declare for the appropriate purposes that the software used in the preparation of the manuscript sent to OBJN were obtained via regular license, whether owner, trial, demo, shareware, open source or freeware. The legal responsibility for any legal embarrassment arising from the use of unlicensed software is mine, along with the co-authors, if any.

**STATEMENT OF ETHICAL USE OF ANIMALS (IF APPLICABLE)**

- I declare for the appropriate purposes any results from animal models obtained at any stage of the manuscript submitted to OBJN strictly followed the Brazilian Guideline for care and use of animals for scientific purposes and Didactic-DBCA, regulated by normative resolution 12, September 20, 2013, from the Ministry of Science, Technology and Innovation, available at: [http://www.mct.gov.br/upd\\_blob/0228/228352.pdf](http://www.mct.gov.br/upd_blob/0228/228352.pdf)
