## Brazilian Nursing Online and abroad... sharing scientific knowledge to become powerful!

Isabel Cruz<sup>1</sup>

<sup>1</sup> Universidade Federal Fluminense

Today the African-Brazilian people celebrates the Ogum's day! Ogum is the orisha that protects the paths, the roads, the ways. Our ancestrals had only real ways to be protected. Now we have the virtual ones.

I claim to Ogum to protect the virtual ways where the Online Brazilian of Journal Nursing and NAIG's site run. Ogunhê!
