5th European Conference of ACENDIO Association for Common European Nursing Diagnoses, Interventions and Outcomes Documenting Nursing Care Enhancing patient care through nursing documentation: new directions for novices and experts

**7-9 April 2005, Festival Hall –
Convention Centre Bled - Bled – Slovenia**

ACENDIO has great pleasure in inviting you to Bled, Slovenia, for the fifth biennial European Conference of the Association for Common European Nursing Diagnoses, Interventions and Outcomes (ACENDIO). Our theme for this conference is 'Documenting Nursing Care – Enhancing patient care through nursing documentation: new directions for novices and experts'. The focus of the Bled conference is to demonstrate the practical and political use of nursing documentation for the enhancement of patient care. Also to communicate the usefulness of terminologies and classifications, and the results of nursing data collection for nursing practice. We would therefore like to

invite you to submit your work in this field in the form of an abstract to the chair of the scientific committee.

SUBMISSION OF ABSTRACTS

The official language of the pre-conference is Slovenian, and for the main conference English. Simultaneous translation in English, French, German and Slovenian will be provided for the pre-conference and all plenary sessions in the main hall. For the main conference we invite you to submit abstracts according the following instructions / information:

Submit your abstract before 15 August 2004 in an electronic way, either by e-mail or by diskette.

Abstracts can be submitted in one of the following three languages: English, French or German. However, if accepted, the presentation needs to be presented in English.

The following format should be used:

- Font Arial, Times New Roman or equivalent, size 11 point and one line spacing
- Type the title of presentation in CAPITAL LETTERS
- Indicate the preferred form of presentation: oral presentation / poster presentation / workshop or seminar
- Type name(s) of author(s) preceded by initials: omit titles, degrees, etc..
- Underline the name of the main presenter
- Type private post-mail address, e-mail address, and phone-fax number of main presenter, or
- Type name of institution, post-mail address, e-mail address, and phone-fax number where the main presenter is working (only one contact address)

The abstract should contain:

- **(1) A summary and keywords** of the abstract content in English of not more than 50 words. Please also indicate which conference theme your abstract relates to.
- **(2) The main abstract**, which should not exceed more than 500 words
- State specific objective(s) of study or project, methods and results, but avoid tables, diagrams and footnotes if possible.
- Submissions may report original research, project development / evaluation, practice applications or position papers, but should always relate to the theme(s) of the conference.
- All submissions will be acknowledged on receipt

Theme(s) of the conference:

- Enhancing patient care through nursing documentation
- Implementing nursing diagnoses, interventions and outcomes
- Examples of using nursing diagnoses, interventions and outcomes in practice
- Development of specific nursing diagnoses, interventions and outcomes
- Teaching the use of nursing diagnoses, interventions and outcomes
- Development of nursing terminology / classification systems.
- Examples of nursing languages within electronic patient documentation

From nursing data collection to information / policy, examples of nursing data sets, and of integration of nursing data into (inter)national health data sets

6. The scientific committee will recommend abstracts for acceptance either as oral or poster presentation, workshop or seminar to the board of ACENDIO. Authors will be notified by 4 October 2004 of time, date and method and allocation of presentation. Submission of an abstract implies registration for the conference, and acceptance of the final decision about method and allocation of presentation by the board of ACENDIO, and therefore no further correspondence will be entered into. You are also required to register before 31st of December 2004. Providing you register before this date, the main presenter will be eligible for a 10% deduction on the registration fee.
7. If the abstract is accepted for an oral presentation you will be required to send in a fuller version of the paper presentation with adequate reference to the literature by 15 November 2004 for printing in the proceedings of the conference. The full paper should not exceed 6 pages, A4 size, 1,5 line spacing, in-

cluding possible tables, diagrams, footnotes,
and literature references.
